**Release, Waiver, and Consent for Medical Treatment :** I, the parent/guardian of the registrant, will abide by the rules of Corinthians Athletic Club (CAC) and its affiliated organizations and sponsors. Recognizing the possibility of physical injury, disability, and death associated with soccer and in consideration of CAC accepting the registrant for its soccer programs and activities, I hereby release, discharge and/or otherwise indemnify CAC and it's affiliated organizations, sponsors, facility operators, their directors, officers, employees, and volunteers against any claim by or on behalf of the registrant's participation in any and all programs and activities. As a parent/guardian of the registrant, I hereby give my consent for emergency medical care prescribed by a duly licensed medical professional. This care may be given under whatever conditions are necessary to preserve life, limb, or the well being of the registrant.

# TRAIN WITH CURRENT NCAA COLLEGE PLAYERS AND TOP CLUB COACHES!

## ABOUT OUR CAMPS

### Every camper should bring the following:

A soccer ball, shin guards, rain gear, sunscreen, snacks (preferably fruit), and plenty of water.

### Early drop-off for the busy parent:

For your convenience, we welcome any player starting 30 minutes prior to the scheduled start time of their camp.

### Equipment bags and personal belongings:

We recommend that your player bring their belongings (clearly labeled) in an equipment bag clearly marked with their name to avoid loss of property.

The Corinthians Soccer Camps are designed for boys and girls who are interested in improving their soccer skills through a variety of modern training methods. We have three different camps, each intended to work with players from the very young beginner to the advanced player aspiring to some day play at the collegiate level.

The **Developmental** camp is designed for boys and girls ages 5 to 7. Here we introduce the player to the game of soccer by providing them with the basic skill instruction and fundamentals of the game. The goal of this camp is to increase the players' enjoyment and love for the game by teaching them the motor skills and coordination which are essential to their long term success while reinforcing good habits that will ensure proper development for years to come!

The **Intermediate** camp is designed for boys and girls ages 8 to 10. Here we will focus on the consolidation of the technical skills of passing, dribbling, and shooting by introducing the fundamental aspects of team play as well as individual positional play. Players will begin to see the game from the perspective of movement with and without the ball, individual tactics (both attacking and defending) and ultimately scoring and preventing goals.

The **Advanced** camp is designed for competitive players ages 11 to 15. Here the focus is on the application of the individual technical skills while introducing the element of pressure. We will highlight the important aspects of team play as well as individual positional play and help players see the game from the perspective of individual tactics and decision making that will enable them to compete and succeed at the competitive level!
